Description

Rail Tech Group Railway & Signal Engineering Ltd specialises in signalling support and signalling training for the rail industry.

With continued growth within our business we are looking to expand. We are looking to employ SMTH Team Leaders, Installation Team Leaders and Installer's.

Along with permanent employment we can also offer casual, temporary and self employed work.

Permanent positions will come with a minimum of 160 hours paid 4 weekly, 28 paid holiday days per annum, with the use of a company vehicle and company mobile phone, plus enhanced rates for working nights and weekend shifts.

An IRSE licence is desirable but not essential if you are working towards one. We have excellent career opportunities, with a key benefit of having first class in house training, which can lead to rapid promotion opportunities to the right candidates.

If you are looking to progress and drive a company forward within the Rail Industry then this is the place for you.

The ideal candidate will have to be Reliable, flexible, punctual, and must also hold a Valid Full UK Driving License.

An up-to-date IRSE Log book will be required at Interview stage.
